Dear Mrs. King:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mrs. King:

Your letter concerning your son, the late Private First Class Eulon O. King, has been received in this office.

You need have no anxiety that the remains returned to you will not be those of your son, inasmuch as every precaution is taken to preserve the identity of our deceased military personnel.

The body was properly identified before interment, and at the time of interment one identification tag was buried with the body and the other attached to the grave marker for future identification.

It is not known at the present time when it will be possible to return the remains of your son to the United States.

Please accept my sincere sympathy in the loss of your son.

This fact and the necessity for complete coordination of movement in many parts of the world make it impossible, at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay. Please be assured that your feelings in this matter are fully appreciated.

At the time of repatriation, the remains of your son will be placed in an hermetically sealed metal casket which will be firmly placed in a wooden shipping case and shipped under military escort to the place designated by the next of kin.

The established policy of the War Department does not provide for cremation of remains which are to be returned to the United States for delivery to legal next of kin or interment in a National Cemetery.

Dear Mrs. King:

Your letter concerning your son, the late Private First Class Eulon O. King, has been received in this office.

The official Report of Burial discloses that the remains of your son were interred in Grave 5292, in the United States Armed Forces Cemetery, Leyte, #1, just outside the town of Palo, approximately eight miles south of Tacloban, Leyte Island, Philippine Islands.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those American dead. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary.

As you probably know, the supply of steel for the manufacture of caskets, is at present uncertain. Without this essential item, the movement of remains cannot properly be initiated.

Dear Mr. and Mrs. King:

Thank you for the information recently given the Army Effects Bureau in connection with disposal of funds of your son, Private First Class Eulon O. King.

I am inclosing a check for $13.00 which is the only property belonging to him received here to date.

The transmittal of funds by this Bureau does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

It is probable that additional effects of your son's will reach this Bureau at a later date. As it is my intention to forward any such property to you immediately upon arrival here, I ask that you please notify us in the event there is any change in your address within the next few months.

I wish to express my sympathy in the loss of your son.

Sincerely yours,

A. G. SCHUMACHER
